

## San Marino, Huntington Library, HM 37542

*Description:* ff. 10 - Formerly bound with HM 00177, vol. 2; separated in 1975. - On f. 1, upper left corner, "39" in ink, possibly indicating its number in a series of Spanish documents; in center of upper margin, "33," in pencil. On the first leaf of most books of HM 00177, with whose Vol. 2 HM 37542 was formerly bound, a small section has been clipped out, possibly to remove some identifying marks, and replaced with matching paper on which the original text was recopied by tracing. An early Huntington Library report mentions the presence of the bookplate of Don José Colón of Cáceres on the first page of Vol. 2 (Book IV); it is no longer in the book. The back pastedown bears a pencilled bookseller's notation "AY 81." - C. W. Dutschke with the assistance of R. H.
